# FOREWORD

This is our 39th Semi-Annual Sale, which means we have been holding two sales a year for almost twenty years. I think the Association now has more members than ever, owns a lot more cattle than ever before, and naturally, has been a big boost to Shorthorns in this locality.

We are proud of the herd sires owned by the different members and can boast of four sons of the great Bapton Constructor, whose picture is shown on the cover of this catalog, that are being used in herds of our members, as well as several other really great, outstanding bulls.

We have a lot of cattle in this sale—quite a number of cows and calves with the cows rebred, and a goodly number of heifers with long service dates.

The bulls are a good lot. It is always good business to buy a bull in the fall for use next spring. As a rule you will buy your bull a lot cheaper in the fall than waiting till spring when everybody wants one.

Our club calves are an outstanding lot. The sale is on Saturday so that 4-H and FFA students can attend. Come buy a calf. We were very pleased with the show of Shorthorn steers at the recent Savannah show. You will have more pounds if you feed Shorthorns.

Anywhere you go, you will not find club calves sired by better bulls than we have. Fifty head are consigned so there could be bargains. At least you will know that you are feeding well-bred calves that should develop satisfactorily.

At sale time we will announce sizeable prize packages to be given to several purchasers of calves.

We urgently invite all interested in better cattle to be with us sale day. It is a big sale. Come early and inspect the offering.

Northwest Missouri Shorthorn Breeders' Association  
Dale Bellows, Sale Manager

# GENERAL INFORMATION

**LOCATION**—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Saturday, October 5, 1963. Sale at 12:30 p.m.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

**GUARANTEE**—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold, and for each calf at foot, and an application for registry will be furnished for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

**BIDS**—Those wishing to buy who cannot be present, may send bids to Bill Stunkel, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association.
